Act 1807 of Mechanical Weekly Circular & Standing Orders

11 The Weekly & monthly Proceedings volumes are printed in pursuance of an old-established practice for purposes of ready reference. A Compilation of orders issued in 1906 when this practice was revived after a brief ~~Cessation~~ period of cessation is put up for perusal. Said reference is invited also to Para 267 of the Secretariat Manual.
While the object of the Monthly Volume is convenience of future reference, that of the Weekly volume is understood to be to keep ~~his~~ Highness the Maharaja & the Dewan informed of the several orders that have issued in the new

for ~~example~~ instance, one of the duties laid down for the Library Secretary is to scrutinise each Weekly Progs Volume & to submit to the Dewan for information instances of orders issued without proper authority.

12 A similar arrangement exists in British Indian Secretariats also

13 If Govt. deem fit, the Monthly Proceedings Volume itself may be made to serve the end also The main difficulty in this way of such a step is that the Monthly Volume takes a long time to complete as it contains an elaborate index which has to be got ready.

14 This index, however is capable of curtailment. It relates now both to orders printed in Extenso & those printed in Abstract The latter are of very ephemeral interest & an index for them appears superfluous, if not wasteful If the Monthly volume is provided with an Index to the Extenso proceedings only, it can be got ready within a fortnight of the Close of each month & can serve all purposes

OFFICE OF THE SUPERINTENDENT,
GOVERNMENT STATIONERY.

Dated Bangalore, 22nd January 1921.

FROM D. B. Ramachandra Mudaliar, Esq., M.R.A.S., DIARY N. 17628
SUPERINTENDENT, GOVERNMENT STATIONERY,
BANGALORE.

TO C.S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

SIR,

Referring to the last para of G.O. No. G 10891-460/P&C 162-20-1 of the 26th November 1920 ordering the issue of cheaper paper for the Gazette, I have the honor to state that I called for samples and quotations from the Agents of the two Indian Mills at Calcutta, and also from the biggest firms in Madras and Bombay who keep large stock of papers, for bleached double foolscap less than 16 lbs., and for unbleached printings.

Messrs. Wilson & Co., Madras, agents Bengal Paper Mills, Calcutta quote C-7-0 per lb for unbleached printings, and the South Indian Export Co. Ltd:, Madras, agents Tittaghur Paper Mills, Calcutta, quote Rs. 0-6-6 per lb., F.O.R. Calcutta plus Rs. 3-8-0 for baling, and these two rates are Rs. 0-1-9 and Rs. 0-1-3 respectively in excess of the rate accepted for this year bleached printings, viz., Rs. 0-5-3 per lb., and on again asking the said firms why their rate is higher for unbleached printings than the rate quoted and accepted for bleached printings, they say that the rate accepted one year ago does not hold good now, that they have quoted the current Calcutta market rate for this paper, and that they do not manufacture paper less than 16 lbs., double foolscap.

The rates of other firms for unbleached printings range from Rs. 0-7-0 to Rs. 0-9-6 per lb, which is also more than our current

accepted rates A comparative statement is herein enclosed. It will thus be seen that the rates quoted both for bleached and unbl. printing paper are far in excess than our current tender rates for bleached printings, and that paper less in weight than 16 lbs., is also not available, and consquently the consideration to use cheaper paper may be postponed for the present.

The tender for papers required for the ensuing official year 1921-22 is to be opend on the 24th instant, and if the rates quoted in them are not cheaper than the above rates, I will then submit my recommendations for purchasing suitable paper for Gazette.

I have the honor to be,

Sir,

Your most obedient servant,

Superintendent.
